Ring and Ride

Ring and Ride is a public transport service provided by West Midlands Special Needs Transport for disabled and frail elderly people. The minibus is specially adapted with a wheelchair lift and removable seats to accommodate wheelchairs.

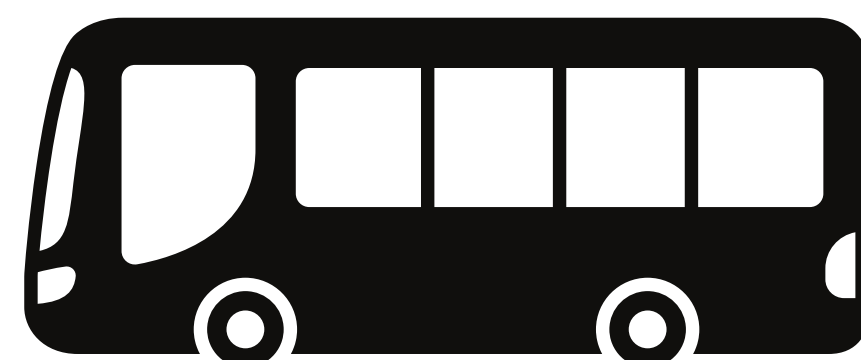

Passengers book a journey in advance simply by phoning their local scheme coordinator the day before they wish to travel and are picked up at their door with assistance from the driver if necessary.

ShopMobility

Shopmobility provides manual and powered wheelchairs and scooters to help people with limited mobility shop and use city centre facilities. Shopmobility can be used by young or old, and whether a disability is temporary or permanent.

To use the service customers must first register and undergo an induction. This process will ensure that you are matched with the correct mobility equipment. Two forms of identification are required- one must have your photograph on it and the other must show your current address.
